CEP and NEPA area planning are OK. Agmet had a lot of ODC's on it and I haven't seen Dimock yet. You need to amend the TDD's to require receipts that go with the invoice.

well, my TDDs are:

Agmet
Dimock
CEP

NE PA Area Planning

I would assume that only Agmet and Dimock would require the extra information. of course Dimock is Tech law.

Subject: start costs

I got the weston ones forwarded from Ex. 4 - CBI I did not get any techlaw ones. Exactly which ones does she need and depending on the site, I won't certify them without receipt documentation.
